

LAPTOP PROGRAM LICENSE AGREEMENT

As with all other aspects of school life, there are rules and policies that govern computer usage. In addition to the Code of Ethics, MPA has a comprehensive technology policy. Students are also bound by the terms and conditions of the included software. Copies of the policies and conditions are provided to students at the orientation/distribution sessions. We hope that you will use this laptop in many aspects of your school life, but commercial or illegal use of computer equipment violates our software agreements and is prohibited.

Each student is responsible for the care of his or her computer including any loss or damage to the computer beyond what is covered by warranty. The student may obtain a supplemental personal insurance policy for the machine through their homeowner's insurance that covers non-warranty repairs. The computer must be kept in full, working condition and if necessary, repaired through Mounds Park Academy repair programs.

Student/Parent Agreement Terms

Participation in the ***Learning with Laptops*** program at Mounds Park Academy is contingent upon signing this agreement. It covers the period of time from the date signed below through graduation from MPA. By accepting possession of the computer, accessories and software, I/we agree to the following:

This agreement is a license to use the computer, accessories and software until I have completed 4 years at Mounds Park Academy. I do not own the computer, but I assume full responsibility for the equipment.

I agree to utilize this equipment in accordance with Mounds Park Academy policies on the acceptable use of technology resources. Policies may be amended from time to time without prior notification. Commercial or illegal use of this computer, accessories and software is prohibited.

If there is any change in my status as a student prior to completion of 4 years at MPA, I agree to either purchase the computer or to immediately return it to Mounds Park Academy in the same condition as I received it less reasonable wear and tear. If not, I understand that I will be assessed the full replacement cost.

I agree to occasional examination of my computer, accessories, software and files as requested by a faculty member, the Technology Department or School Administration.

I am responsible for any damage, loss or theft to the computer, accessories or software. I agree to have any damage repaired as soon as possible and I understand that I may be charged a fee for repair or replacement if it is not covered by warranty. I understand that any of these incidents must be reported to the School as soon as possible, but no later than 48 hours after the incident. All repairs must be made through authorized MPA programs. Fraudulent or excessive reports will be subject to Upper School administrative review.

I agree to accept the computer, accessories and software as is, including the 4-year warranty as presented. In no event shall the School be liable for any incidental, special, indirect, or consequential damage of whatever nature arising out of my use of this computer, software and accessories.

I have read and understand the terms and conditions of this Laptop Program License Agreement. I agree to abide by them.
